

**LAGOS STATE GOVERNMENT
MINISTRY OF SCIENCE AND TECHNOLOGY
INVITATION FOR BID
OVERHAULING OF ABAT CENTRE SERVER ROOM
7th NOVEMBER, 2019.**

Lagos State Ministry of Science and Technology is the state government ministry, charged with the responsibility to plan, devise and implement the state policies on Science and Technology. The Ministry has made remarkable achievements in Lagos Global Computerization Project which began in 2001 with its Data Centre Management and LASG Enterprise Campus Network within and Outside the Alausa campus. The Ministry operates the State data on a 365days/year, 7days/week and 24hrs/day basis to effectively perform its statutory responsibility to the State Government.

In Pursuance of Lagos State Procurement Agency law 2011 (as amended in 2015) of its mandate and in Compliance with the requirement of the procurement ACT, Lagos State Ministry of Science and Technology has secured approval for the Procurement in pursuant to the Overhauling of ABAT Centre Server Room.
